FREEDOM

## The Year 1984-85

High school sometimes seemed to be a world in itself, but the walls of school did not block out the world around us. We watched as the world we would soon be a part of change.

Major problems were also dealt with. As we tried to pass this week's test, the President was being sworn into office for a second term. Eighteen-year-olds registered for the draft and hoped there would never be a need for them.

Southwest students faced a year filled with changes. J. L. Todd began his first year as principal of the new high school building. House Bill 72 placed a set of new requirements on high school students around the state. Long time Superintendent of SWISD Mr. Bennie Steinhauser, announced his plans to retire from the district after 16 years of service.

We watched 1984-85, and we prepared for the future years, when we would be the leaders.

This book is dedicated to . . .

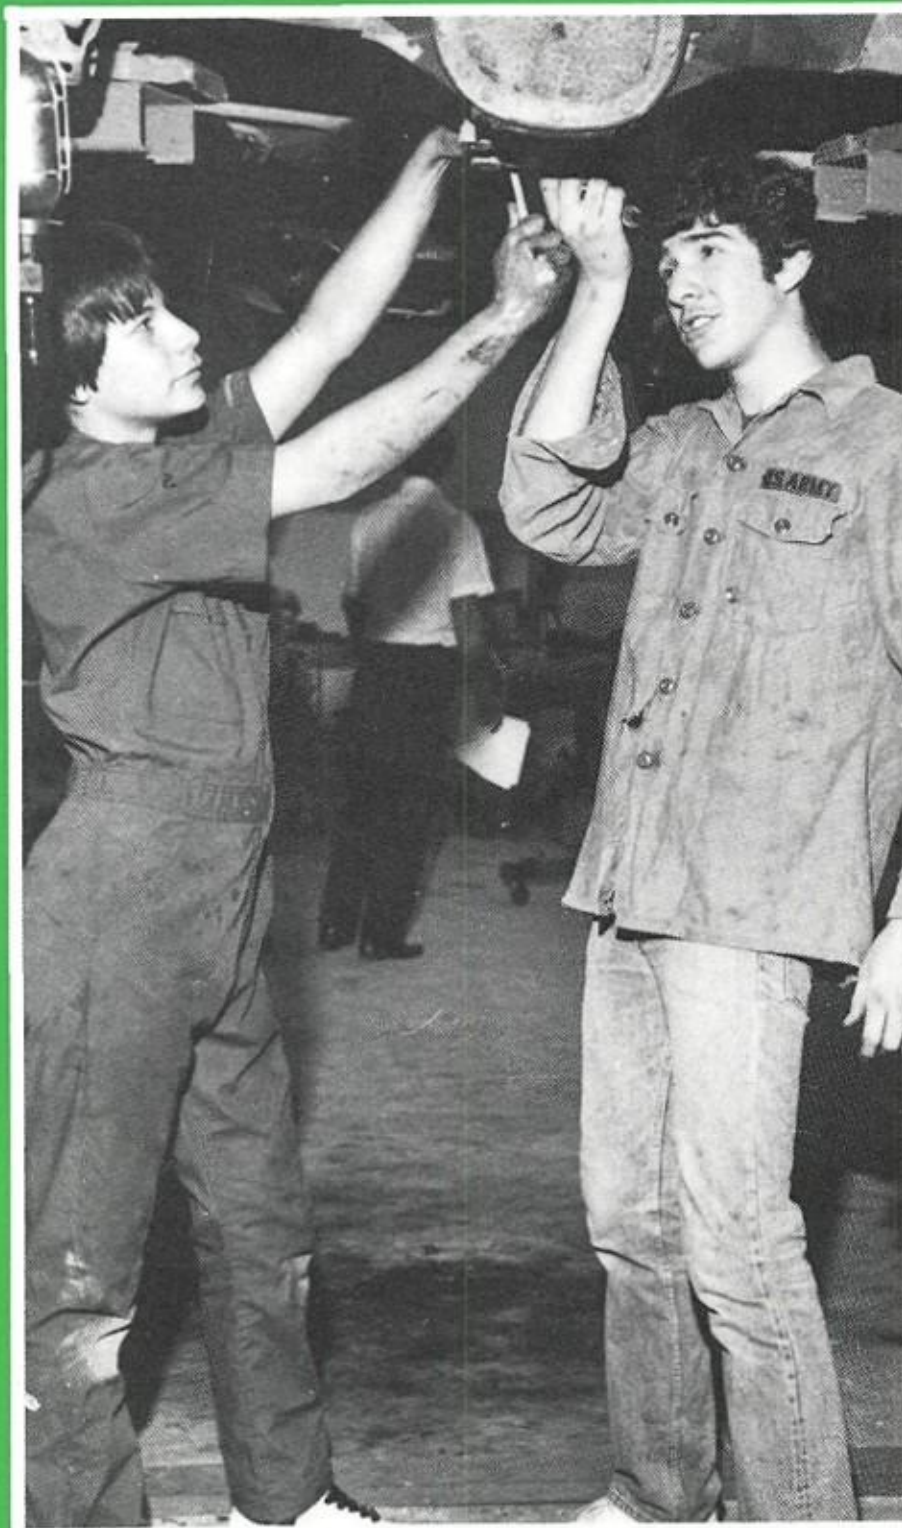

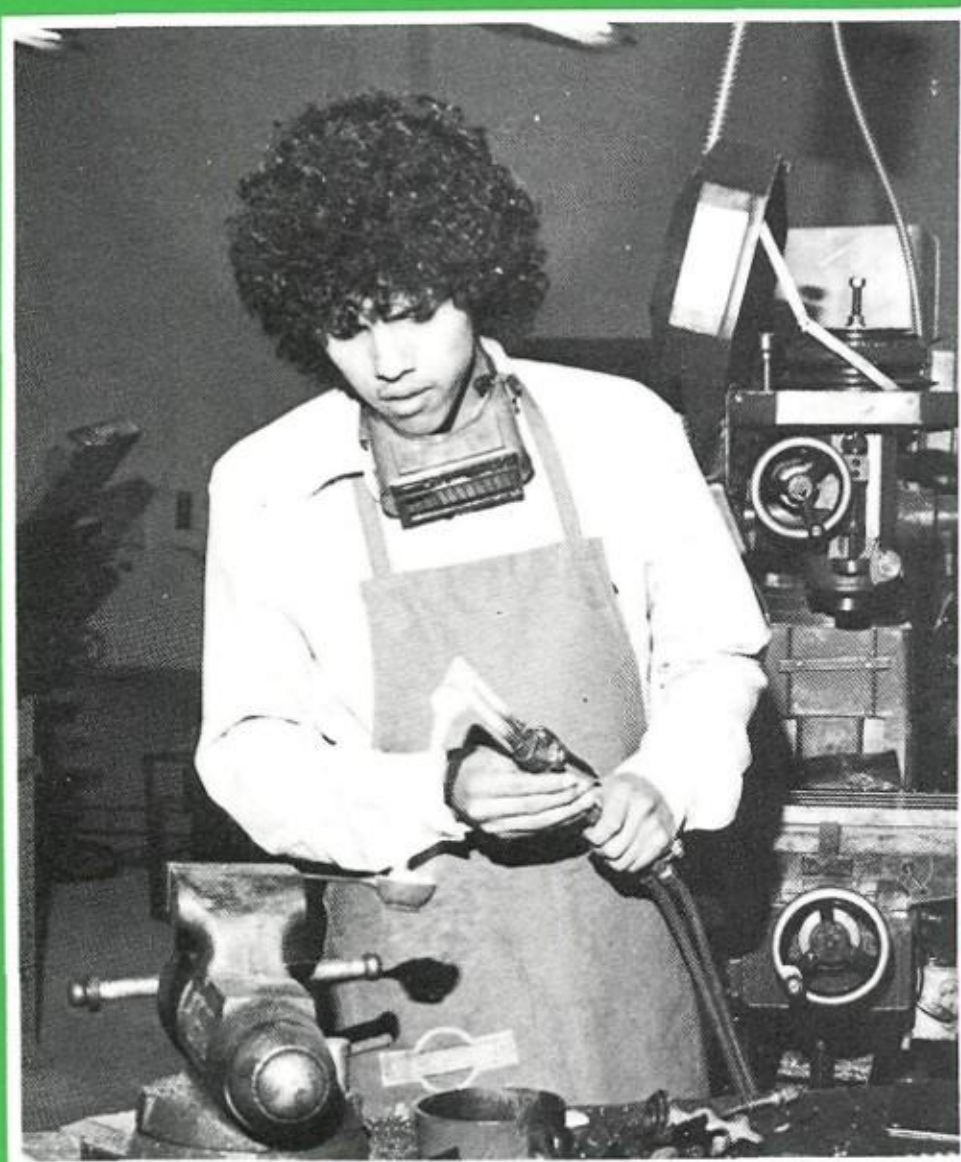

Mr. Bob Hill and Mrs. Helen Lozano for years of dedicated service to the Southwest ISD. Both these individuals have been a tremendous asset to the district and community. Mr. Hill has taught in the district and served in the capacity of Vocational Counselor. Mrs. Lozano has served as a high school counselor and as high school assistant principal.

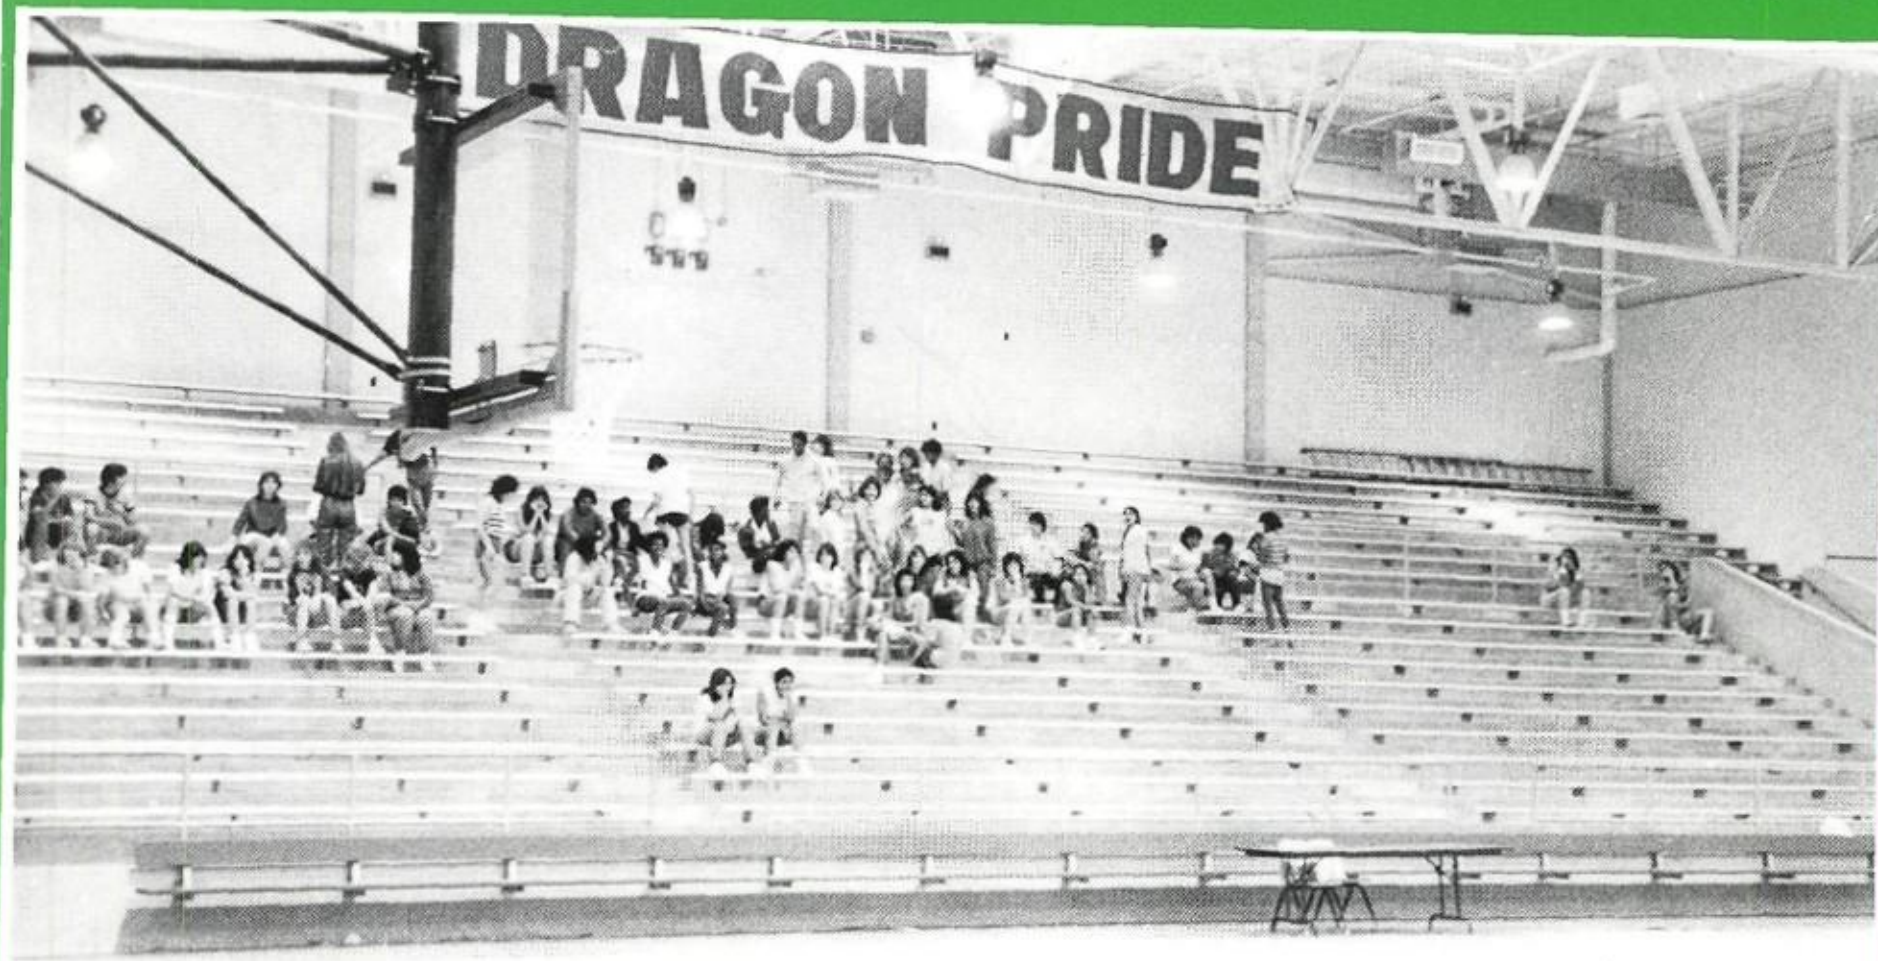

Whether it was record breaking snow fall in the area or Spirit Week activities or homemaking classes; it was obvious to most Southwest students that the year 1985 was going to be a year to remember . . . a year of memories.

Various types of activities could be found around campus during the '85 school year. Lawrence Armijo, Maria Flores, Mrs. Adami, and Jason Bradford take time out from work on stage to strike a winning pose. Ronnie Cantu is busy with a welding project. While James Jackson and Raul Lopez check it out in auto mechanics.

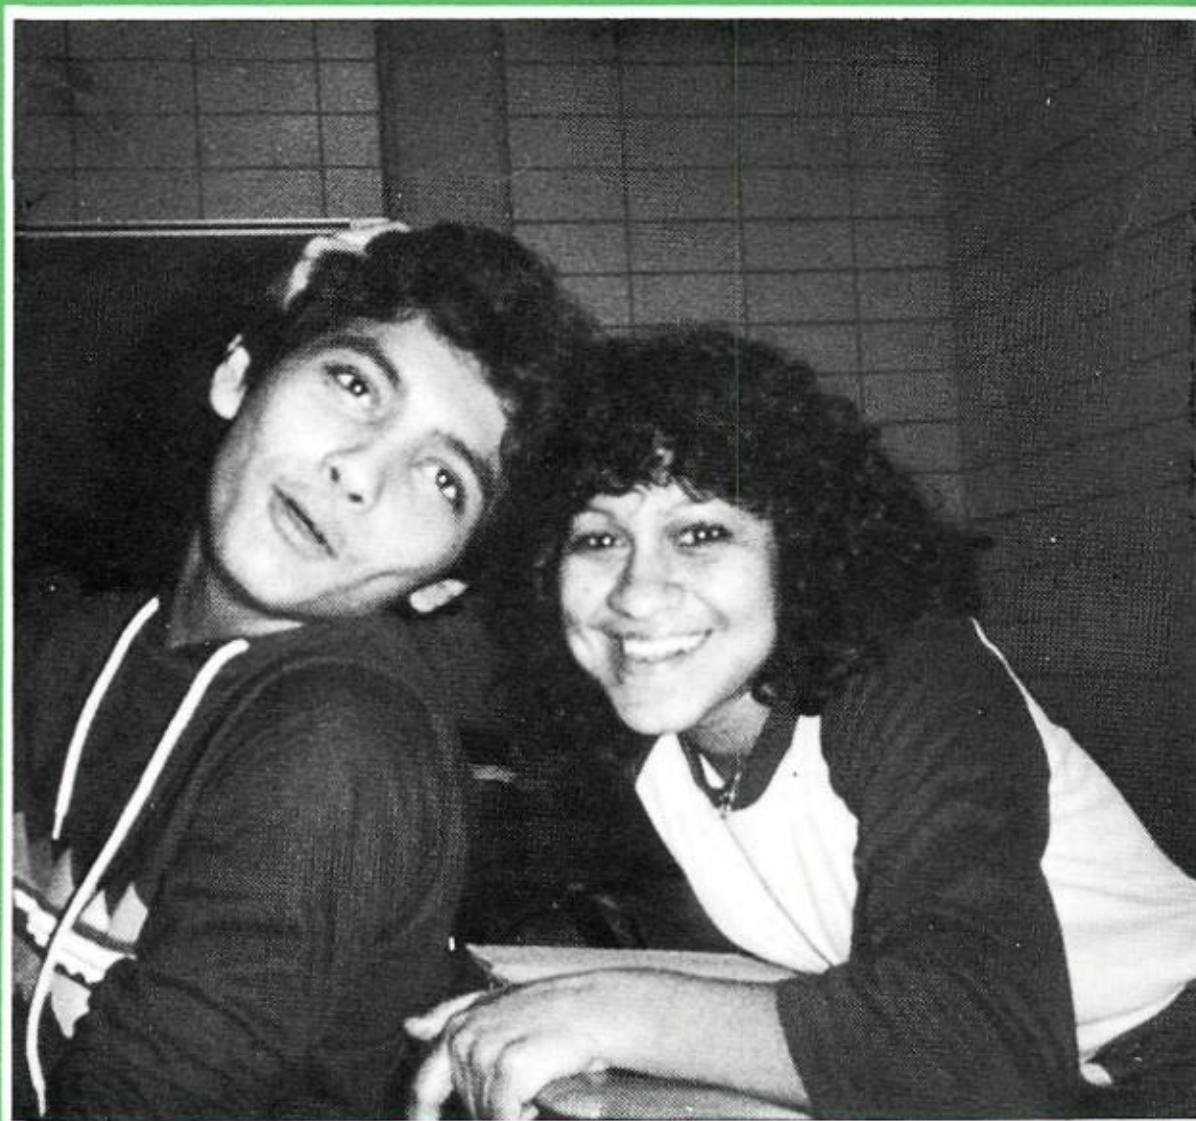

Without a doubt this year saw many positive changes on campus. "Dragon Pride" was a feeling or a spirit that seemed to engulf us all whether it was cheering one of our teams on to victory or observing with pride as one of our "own" won another scholastic award.

## Dragon Pride . . .

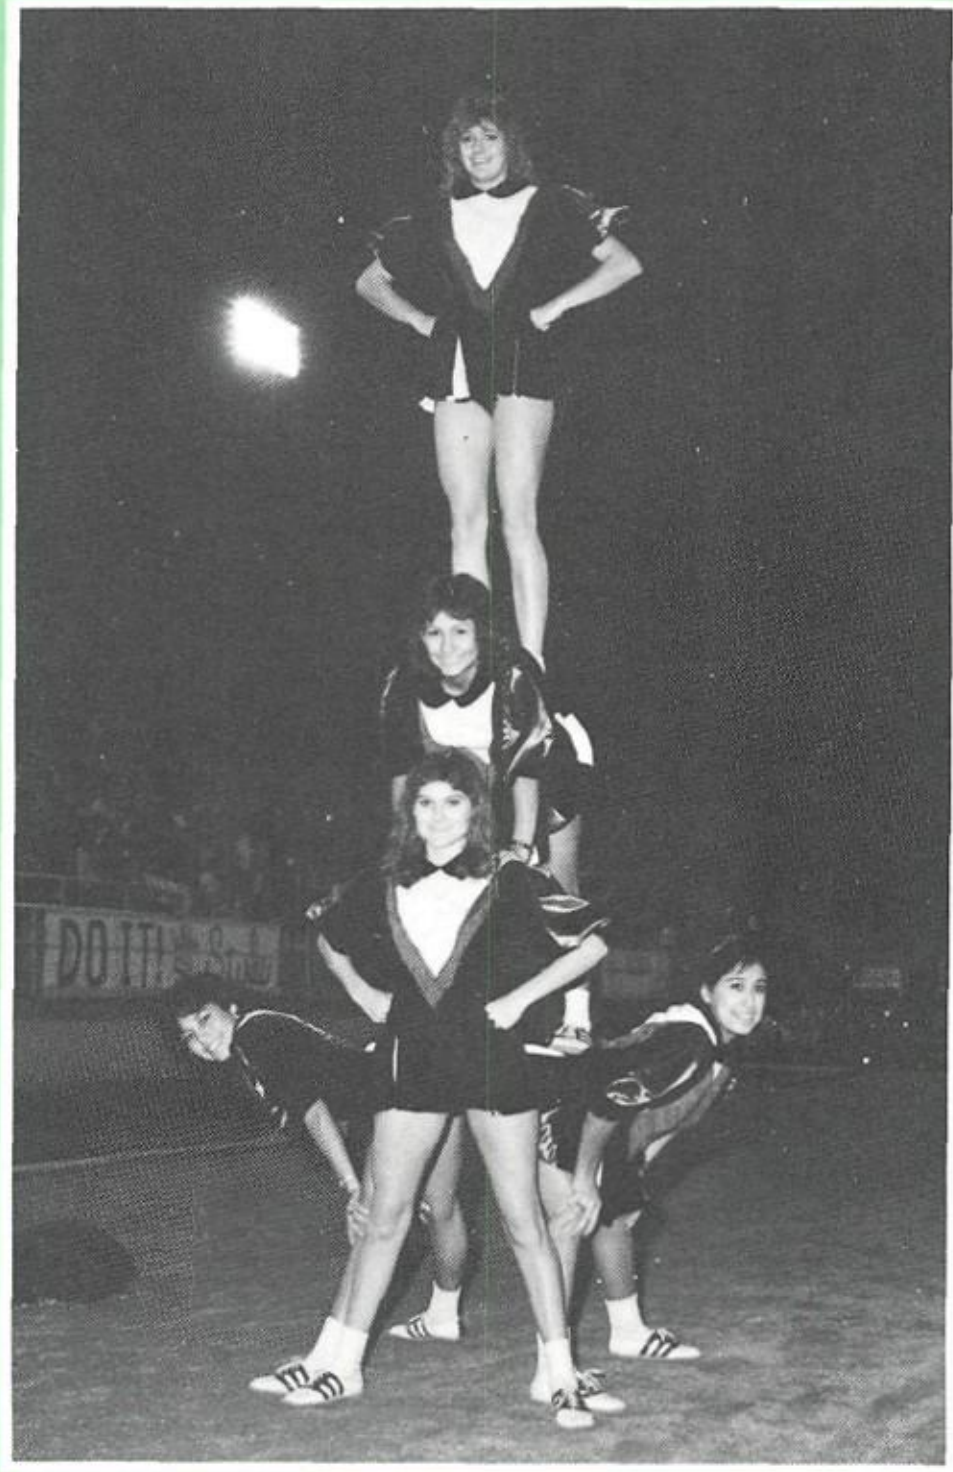

A new multi-million dollar building, a new high school principal, House Bill 72 . . . it might have been any one of these factors or all of them contributing to a new feeling that was widespread. A feeling of high self esteem, feelings of pride coupled with feelings of accomplishment were terms used to describe the "new" SW attitude. Others called it simply DRAGON PRIDE.

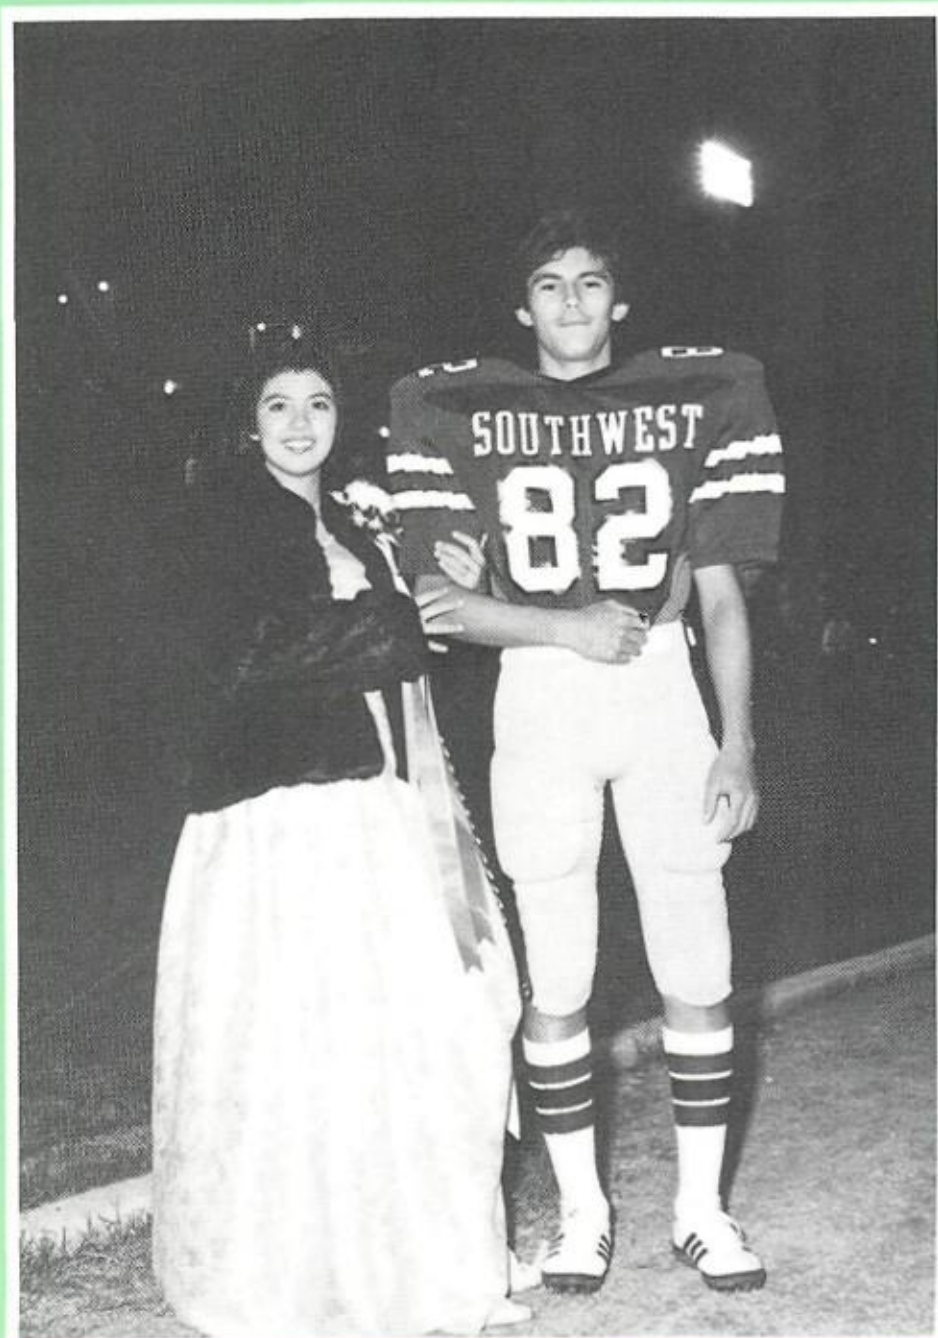

Senior Molly Flores was selected 84-85 Homecoming Queen. Molly was escorted by Senior Gene Duron. Everyone agreed that this handsome couple represented Southwest in a manner that was pleasing to all.

## '85 Homecoming Court

The Homecoming Court consisted of Yolanda Garza escorted by Daniel Flores, Cindy Mendoza escorted by Ted Guerra, and Rachel Gonzales escorted by Billy Chalker. This years Court was one of the best looking in recent memory for the SW community.

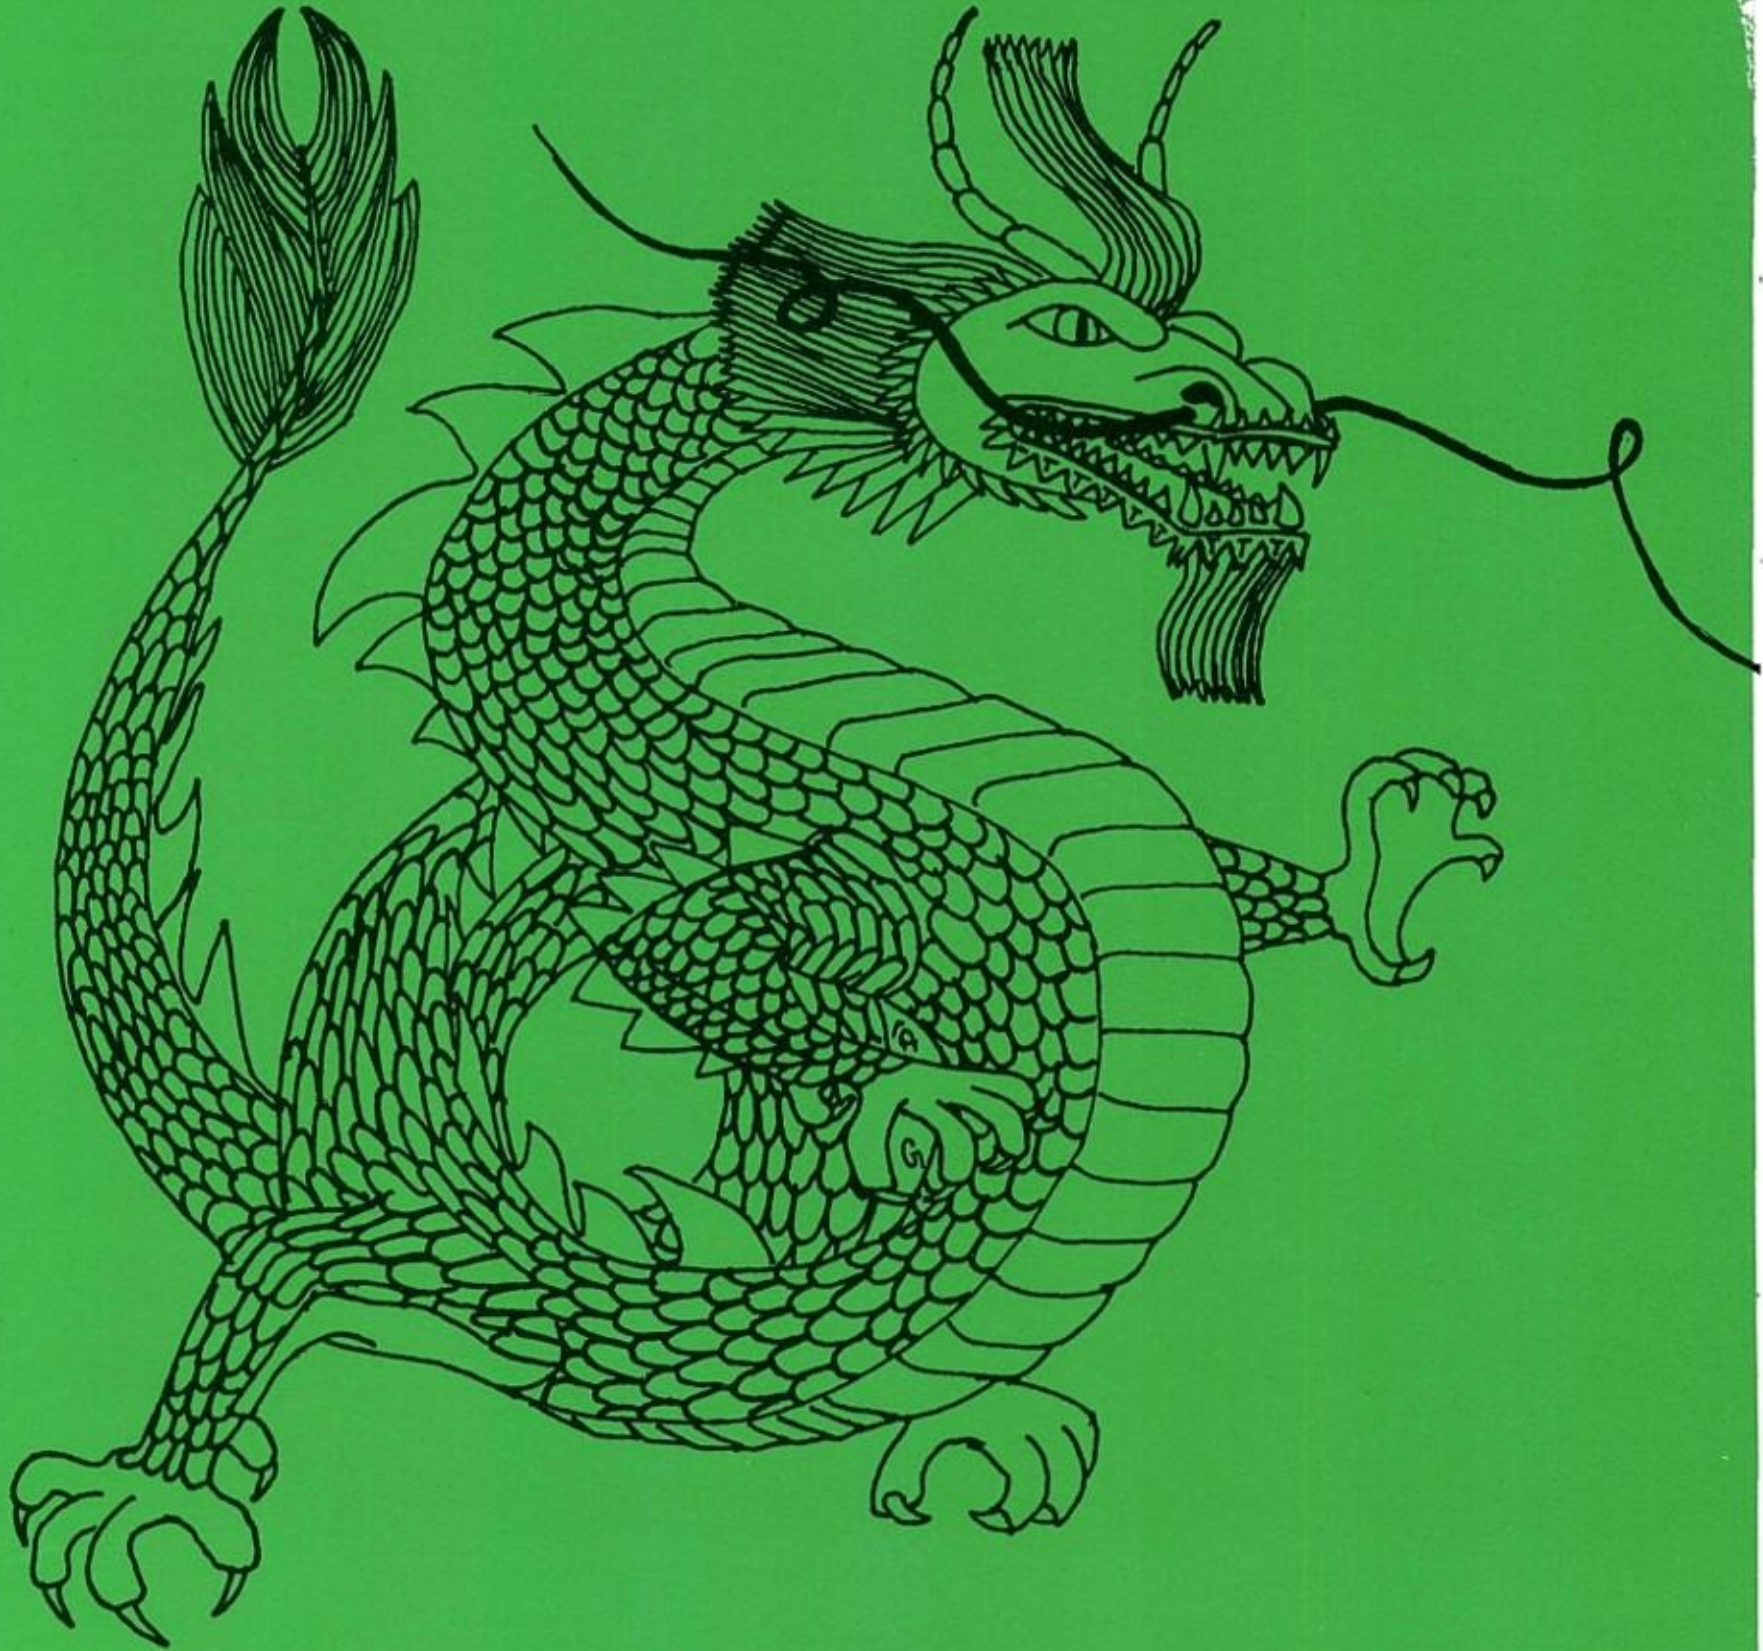

Junior Representatives: Donna Briseno escorted by Richard Ibarra.

Freshman Representatives: Irma Tamayo escorted by Roger Garza.

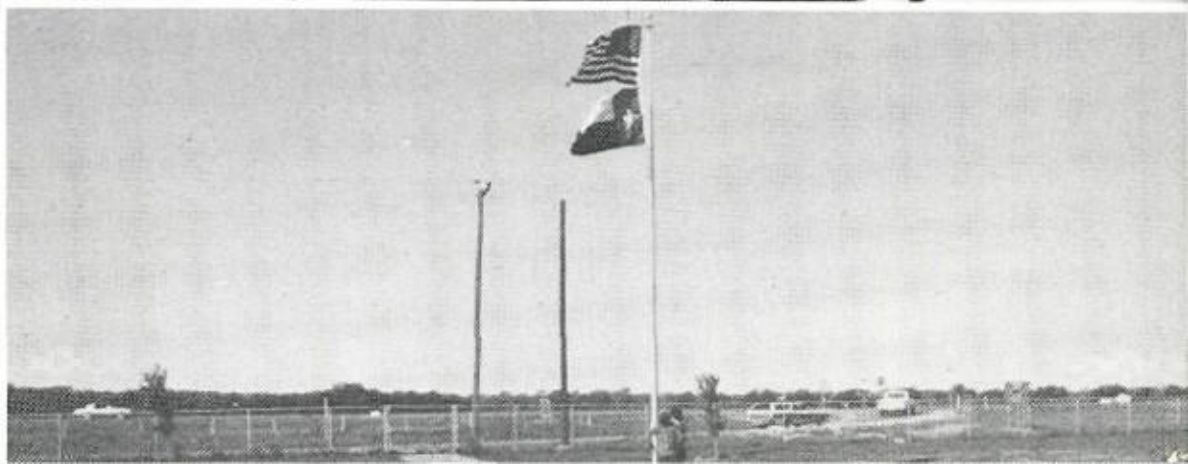

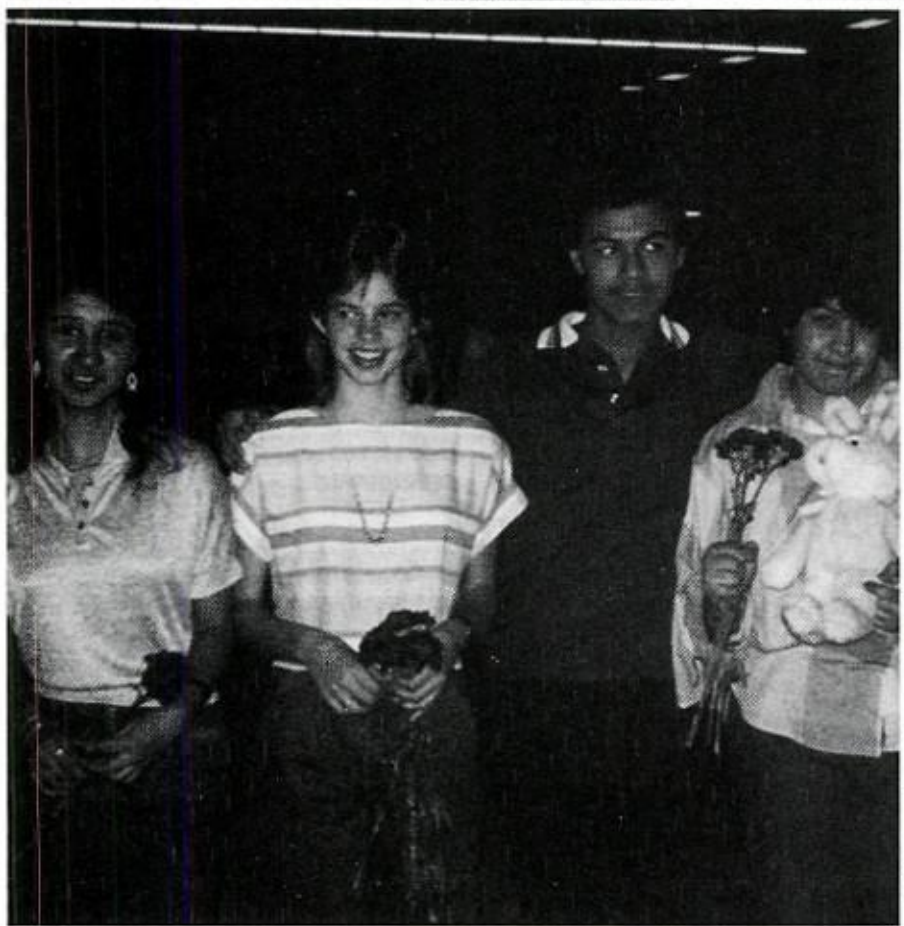

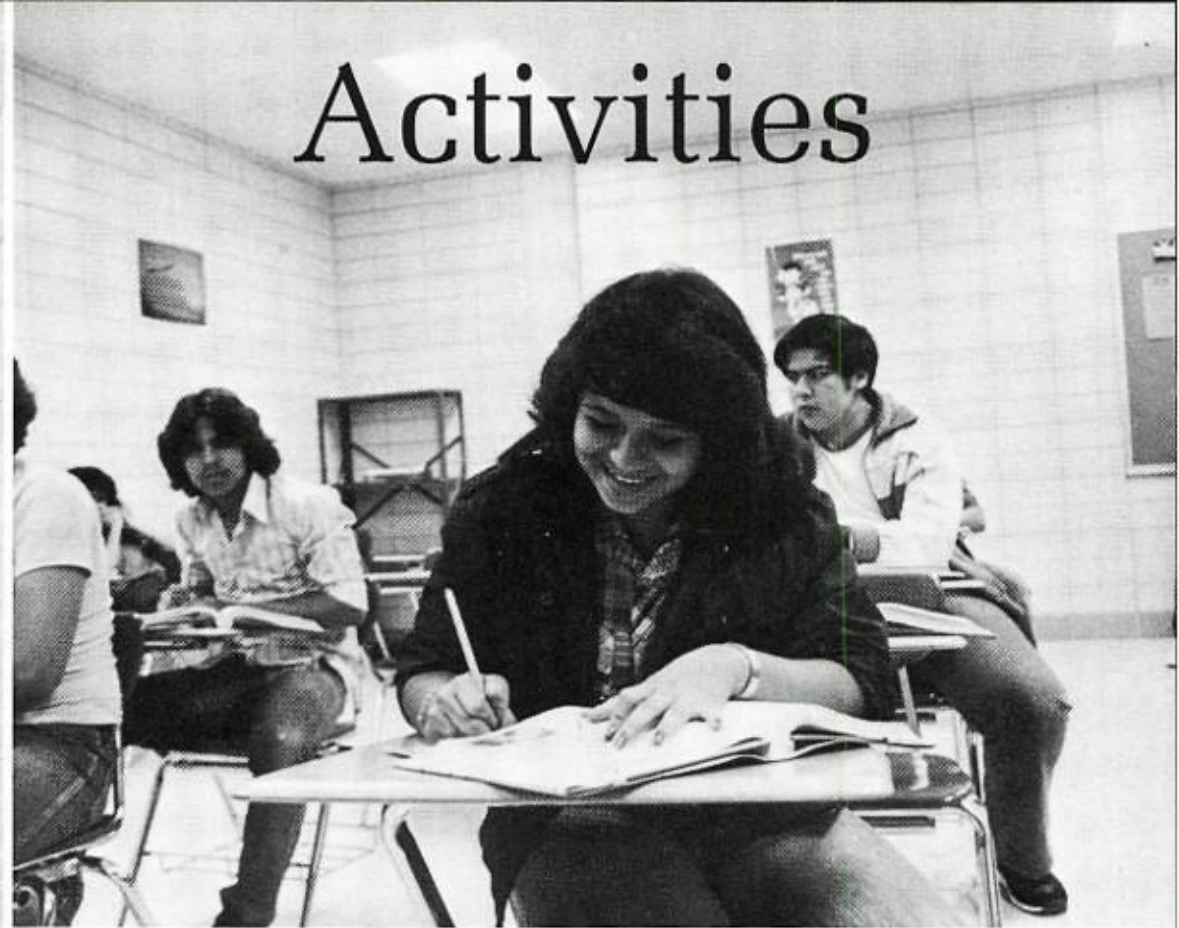

# “Our Mascot”

The Dragon is a life-long symbol of our never ending pride in our school and the community itself. He symbolizes the feeling of unity we experienced as we participated in the many activities of high school. The Dragon spirit is a reminder of our high school years and the times we cherish the most.

# SW Talent Showcased

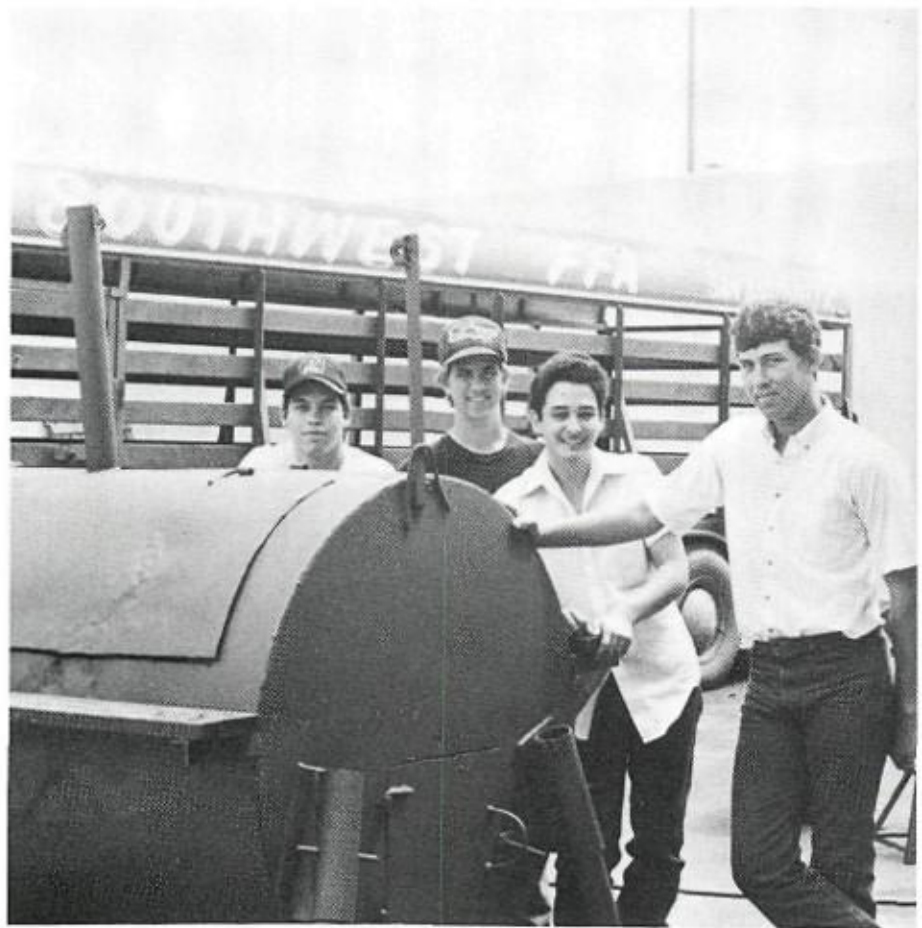

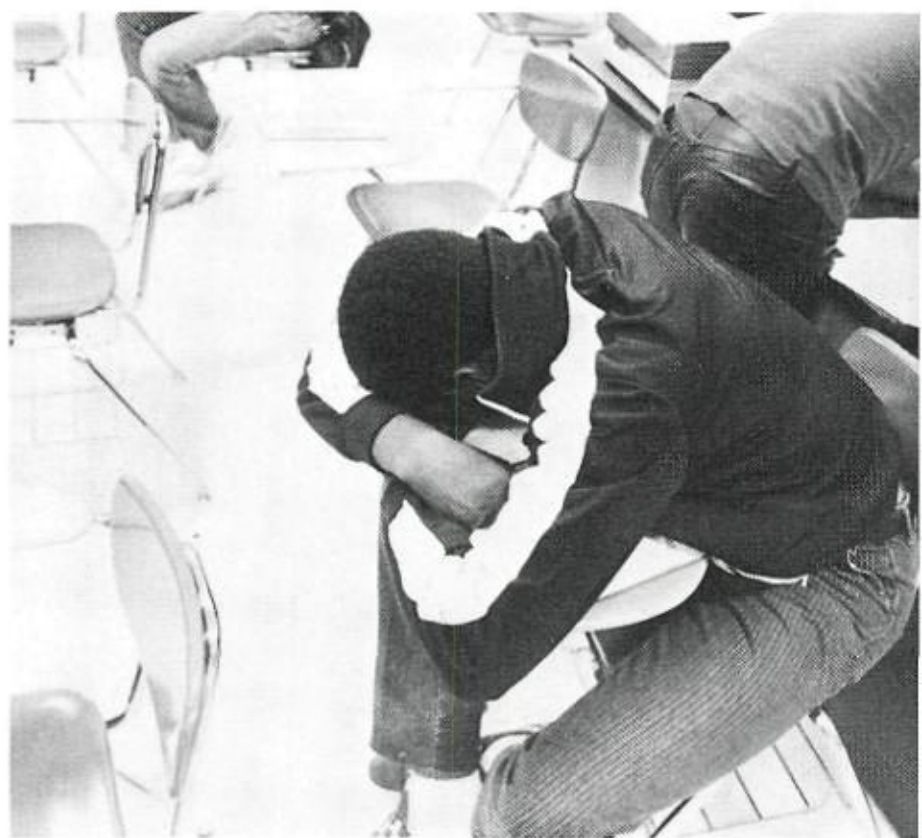

## Talent Show SW Tops in Talent

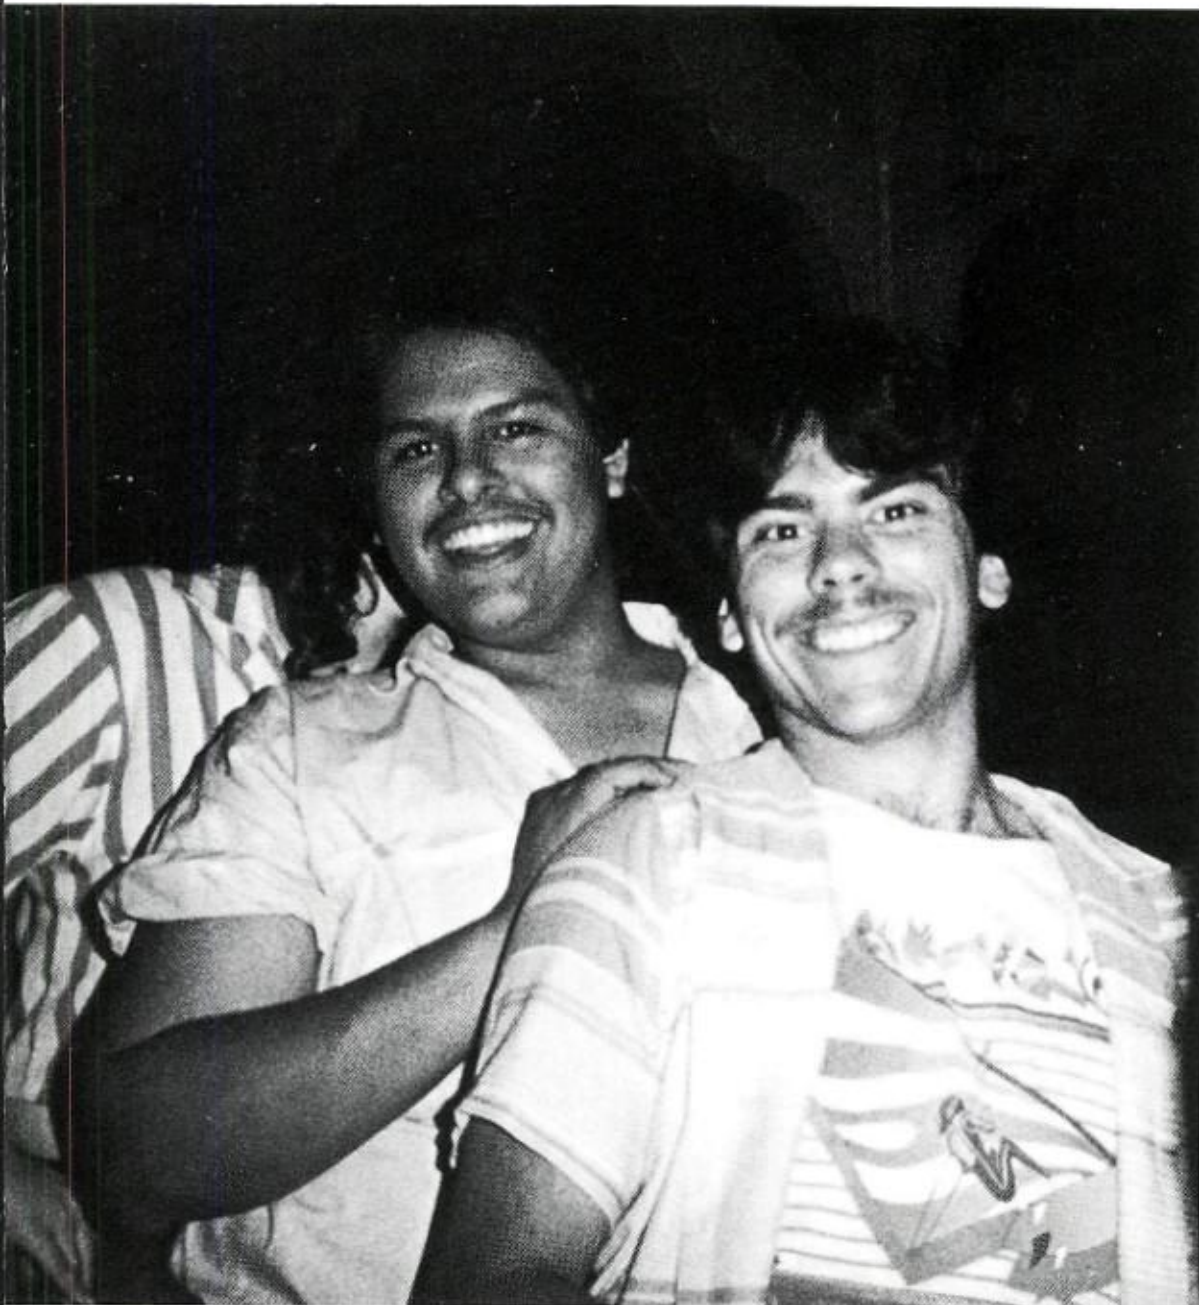

March 14, 1984 found the SW student body out in force for the annual talent show. Top picture, left page: Francis Overman, Maria Flores, and Sharon Edwards. Left picture, left page: Mike Derese and Joe Merlin. Right picture, left page: Wendy Hunter, Miss Rita Tooloose and Alice Flota. Choir members brought the house down with their "act." Mary Ann Rodriguez sings to a packed house. David Villareal won first place in competition.

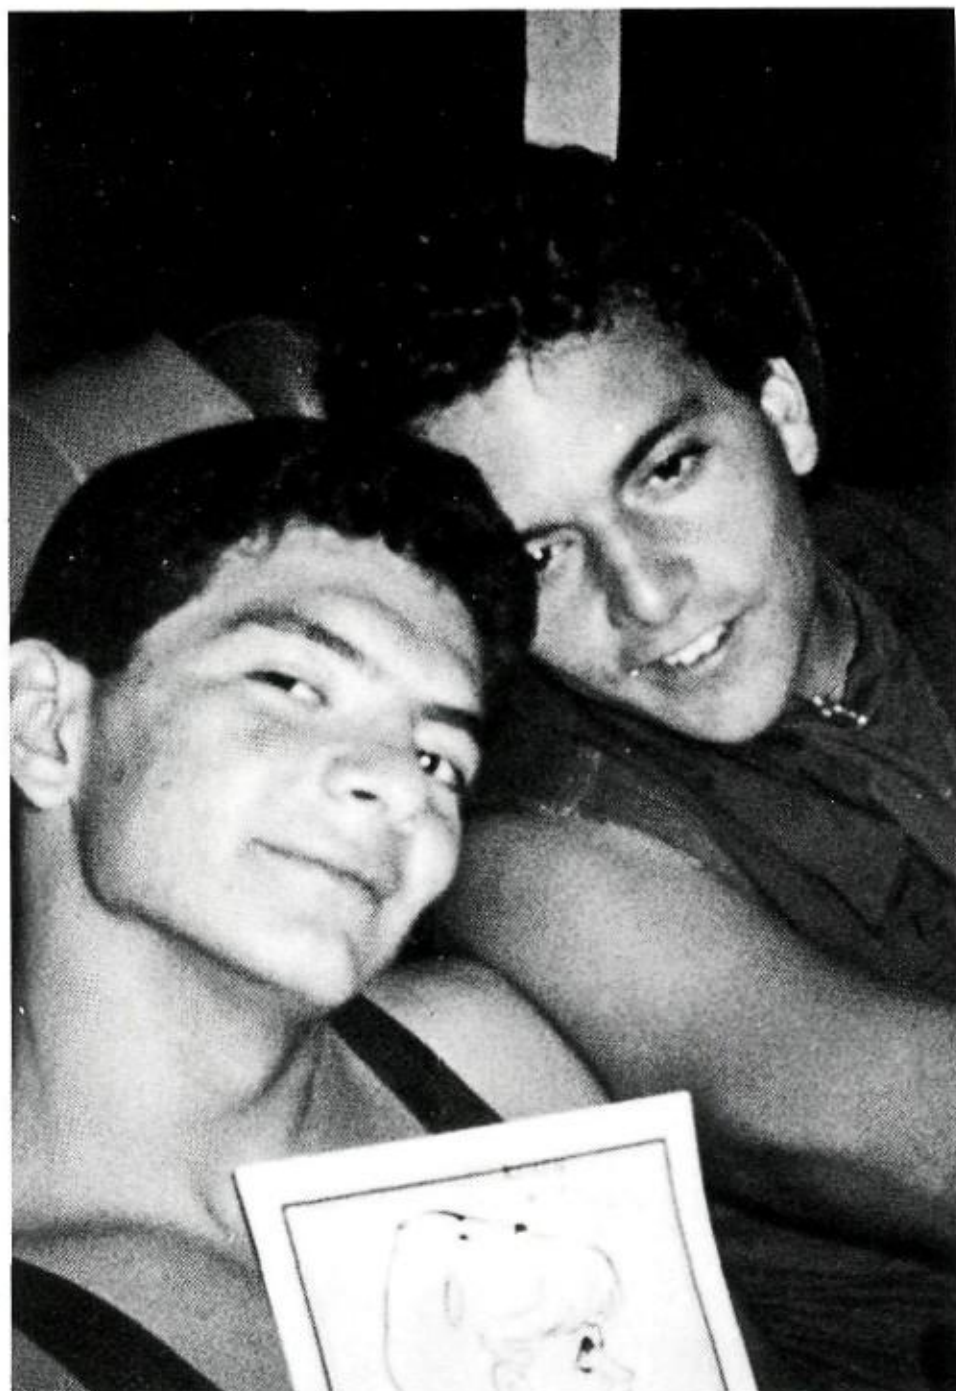

# Senior Trip . . . a Time for Togetherness

## Memories . . .

May 3, 1985 found most of the Senior Class together bound for ASTROWORLD in Houston, Texas. "Rides, food, a scream a minute" was the way SW Senior Johnny Roberson described the event. All those taking part in the trip agreed that a good time was had by all.

Gene Duron and Rene Pina look exhausted, but happy, on the return trip.

Lisa Geiger and Kelly Ferguson check out the action before getting off the bus.

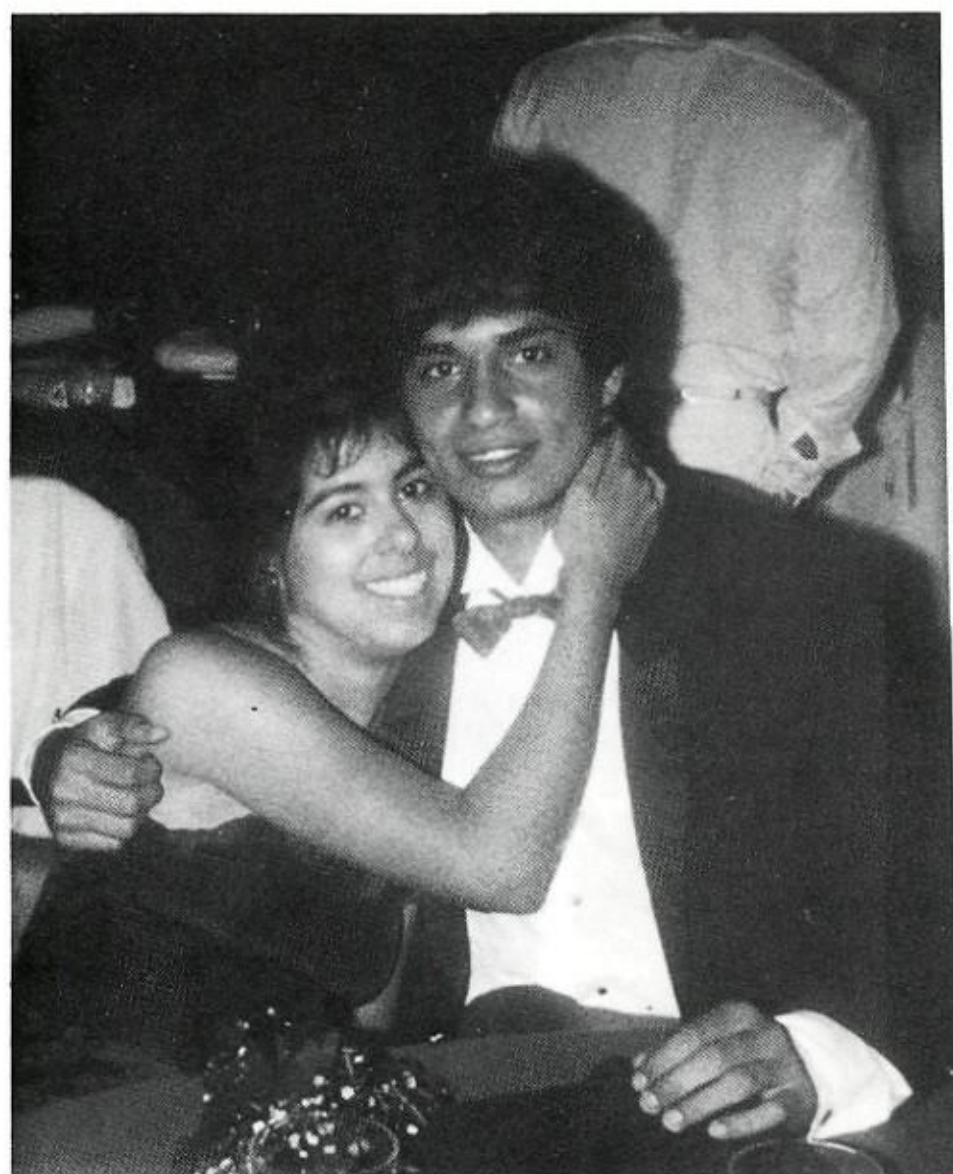

Rachel Gonzales and Billy Chalker seem excited as the bus pulls into ASTROWORLD.

Todd Anderson and Jason O'Gorman sink into those comfortable bus seats on the return ride home from ASTROWORLD.

# Almost Paradise . . . Prom Night

## A Night to Remember . . .

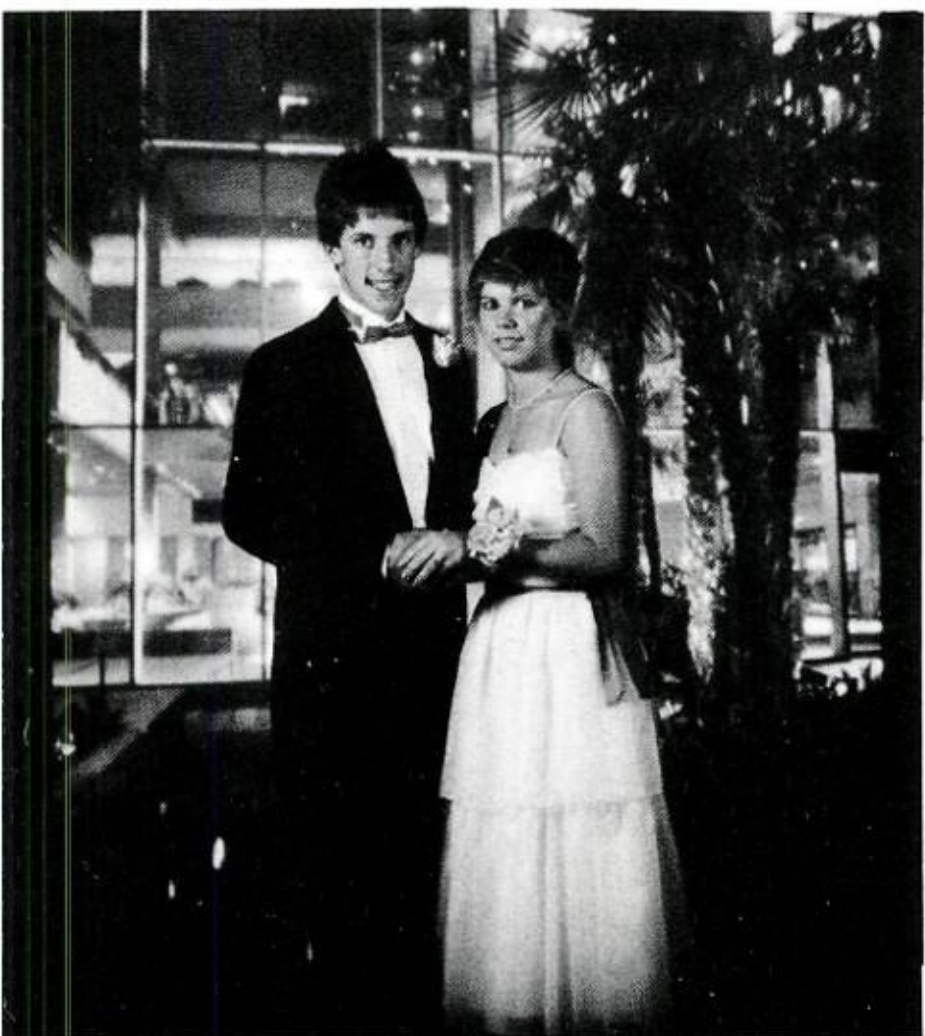

Saturday, April 13, 1985 is a date that will be long lived in the minds of most SW Juniors and Seniors. This was the evening of the long awaited Prom at the Hyatt Regency Ballroom. **Upper Left:** Bruce Graham and Kai Umac. **Upper Right:** Mario Laque and Molly Flores. **Bottom Right:** Billy Chalker and Rachel Gonzales.

Battle of Flowers

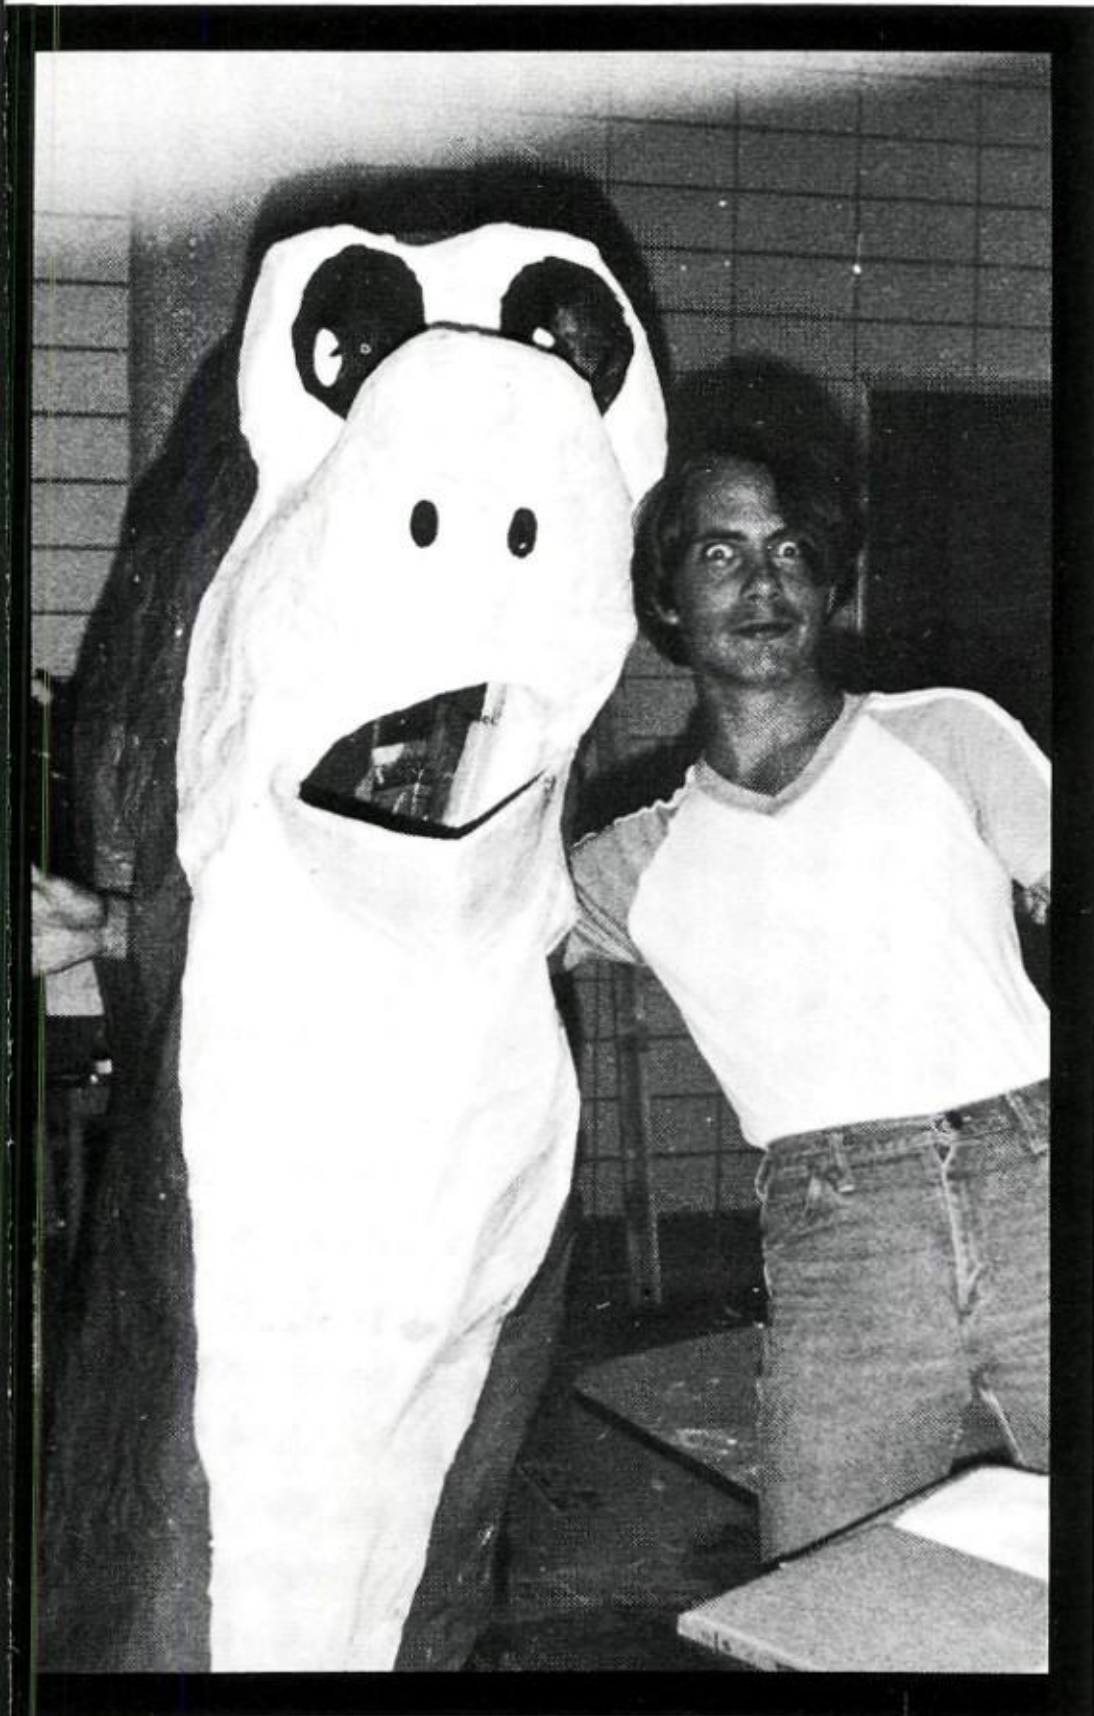

## Battle of Flowers Winner.

Friday, April 26, 1985 was a big day for the Southwest Community. This was the day of the big Battle of Flowers Parade. SW High School's float won Second Place in the high school division over numerous other entries.

Southwest received national television coverage along with the rest of the parade. The costumes and other decorations were constructed by SW students.

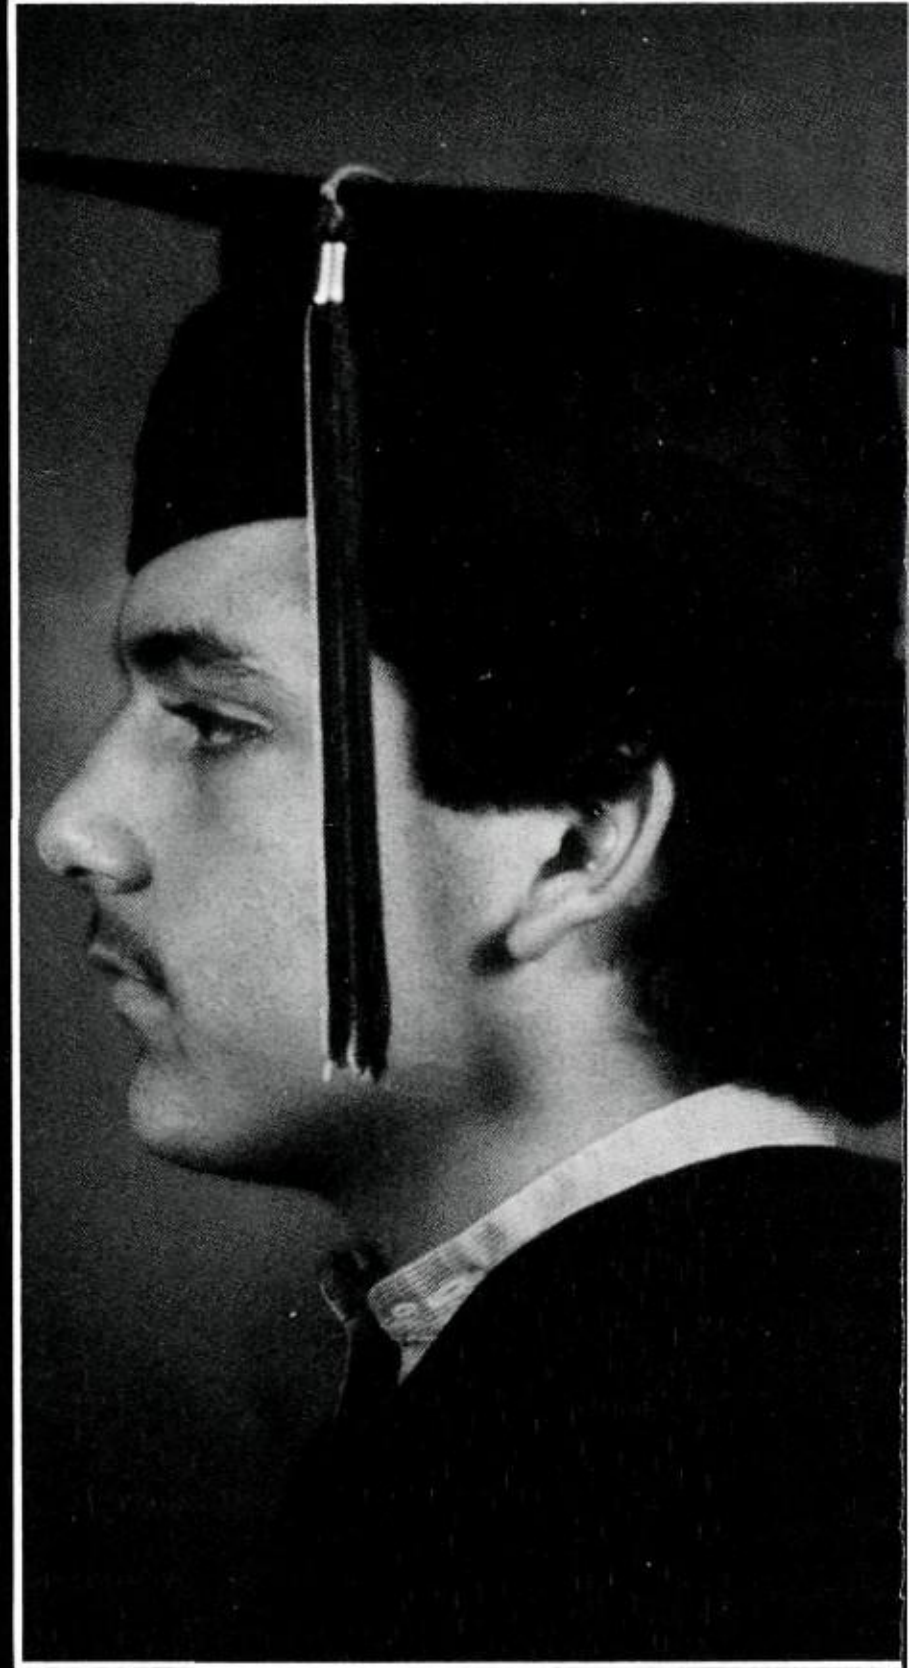

SW students working on the float and riding in the parade were: Terry Gutierrez, Nancy Guerra, Jessica Garcia, Cindy Mendoza, Kelly Ferguson, Bobby Benavidez, Penny Booker, Justin Powell, Sammy Guzman, and David Farr. The group was sponsored by Ms. Harriett Downs and Ms. Karen Ewick.

On behalf of the entire student body, faculty and community—a big “thank you” to this entire group who once again made us all aware of “Dragon Pride.”

# Classes

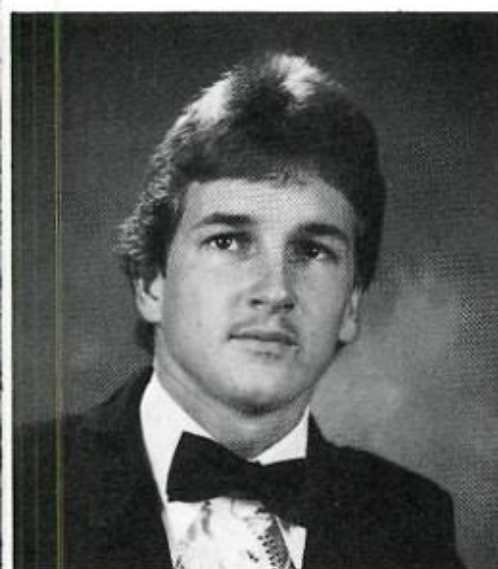

The 1985 Senior Officers included Quynh Woods, Yolanda Garza, Sabby Guajardo, Ted Guerra, and long time Senior sponsor, Mrs. Karen Dye.

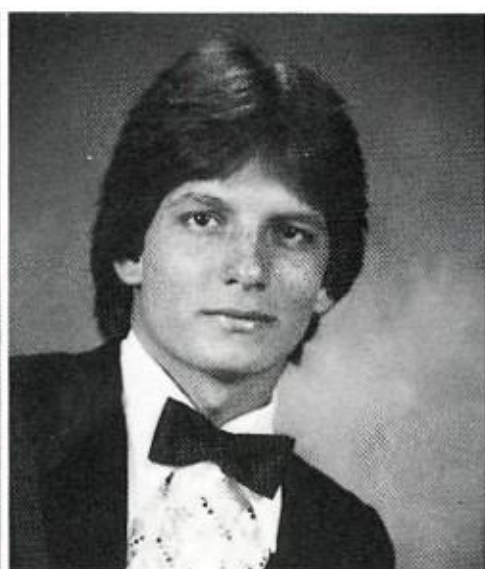

The 1985 Senior Favorites were Molly Flores and Sabby Guajardo.

It is easy to see why Sonia Cabellero and Gene Duron were selected as the two "Best Looking" members of the 1985 Senior Class.

Molly Flores along with Mike Ibarra represented the Senior Class well as "Best Personality."

Robert Merrill and Sonia Cabellero were selected as the two "Best Dressed" members of the Senior Class. Sabby Guajardo and Yolar Garza were tapped as the "Most Likely to Succeed." Rene Pina and Minerva Reschman were chosen by a wide margin as the "C Wits."

## SW Board Leads District

The Southwest ISD is led by concerned and dedicated Board Members. The ladies and gentlemen give of their time and effort in setting policy for the district. They spend long hours in their duties. Many times these individuals receive little in the way of appreciation from those they serve. By their effort and dedication they serve as an example to us all. Thank you for a job well done.

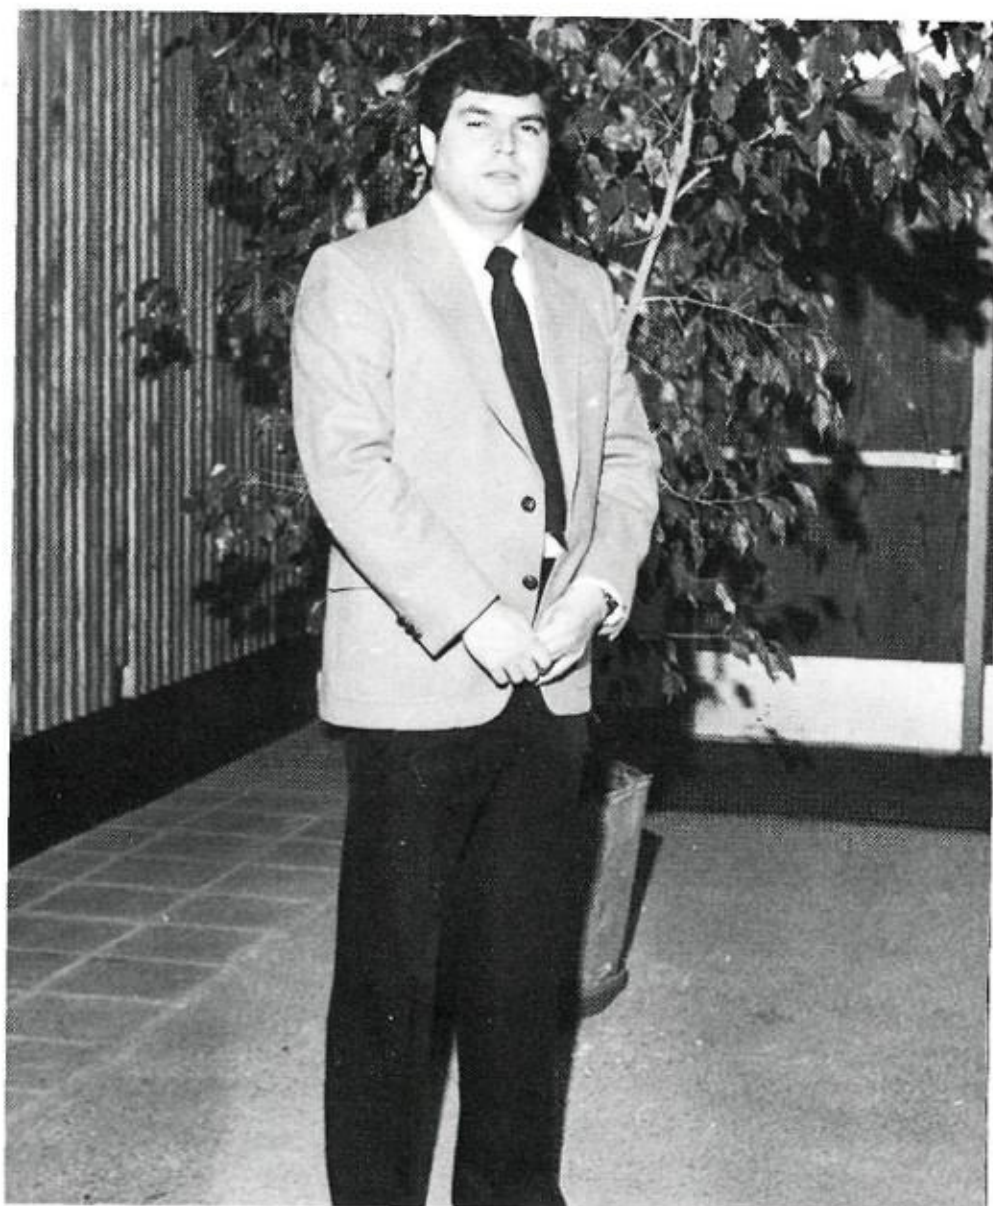

Mr. Bennie Steinhauser announced his retirement from the district after some 38 years in the field of education.

## May I Help You?

One of two people will greet you as you enter the front office. Either Mrs. Shirley Meyer or Mrs. Mary Mangon are always on hand to offer a friendly smile and a willingness to listen and then refer you to just the right office.

The ladies always seem to have a smile on their faces and a friendly way about them that makes you feel as if every little problem is going to turn out just right.

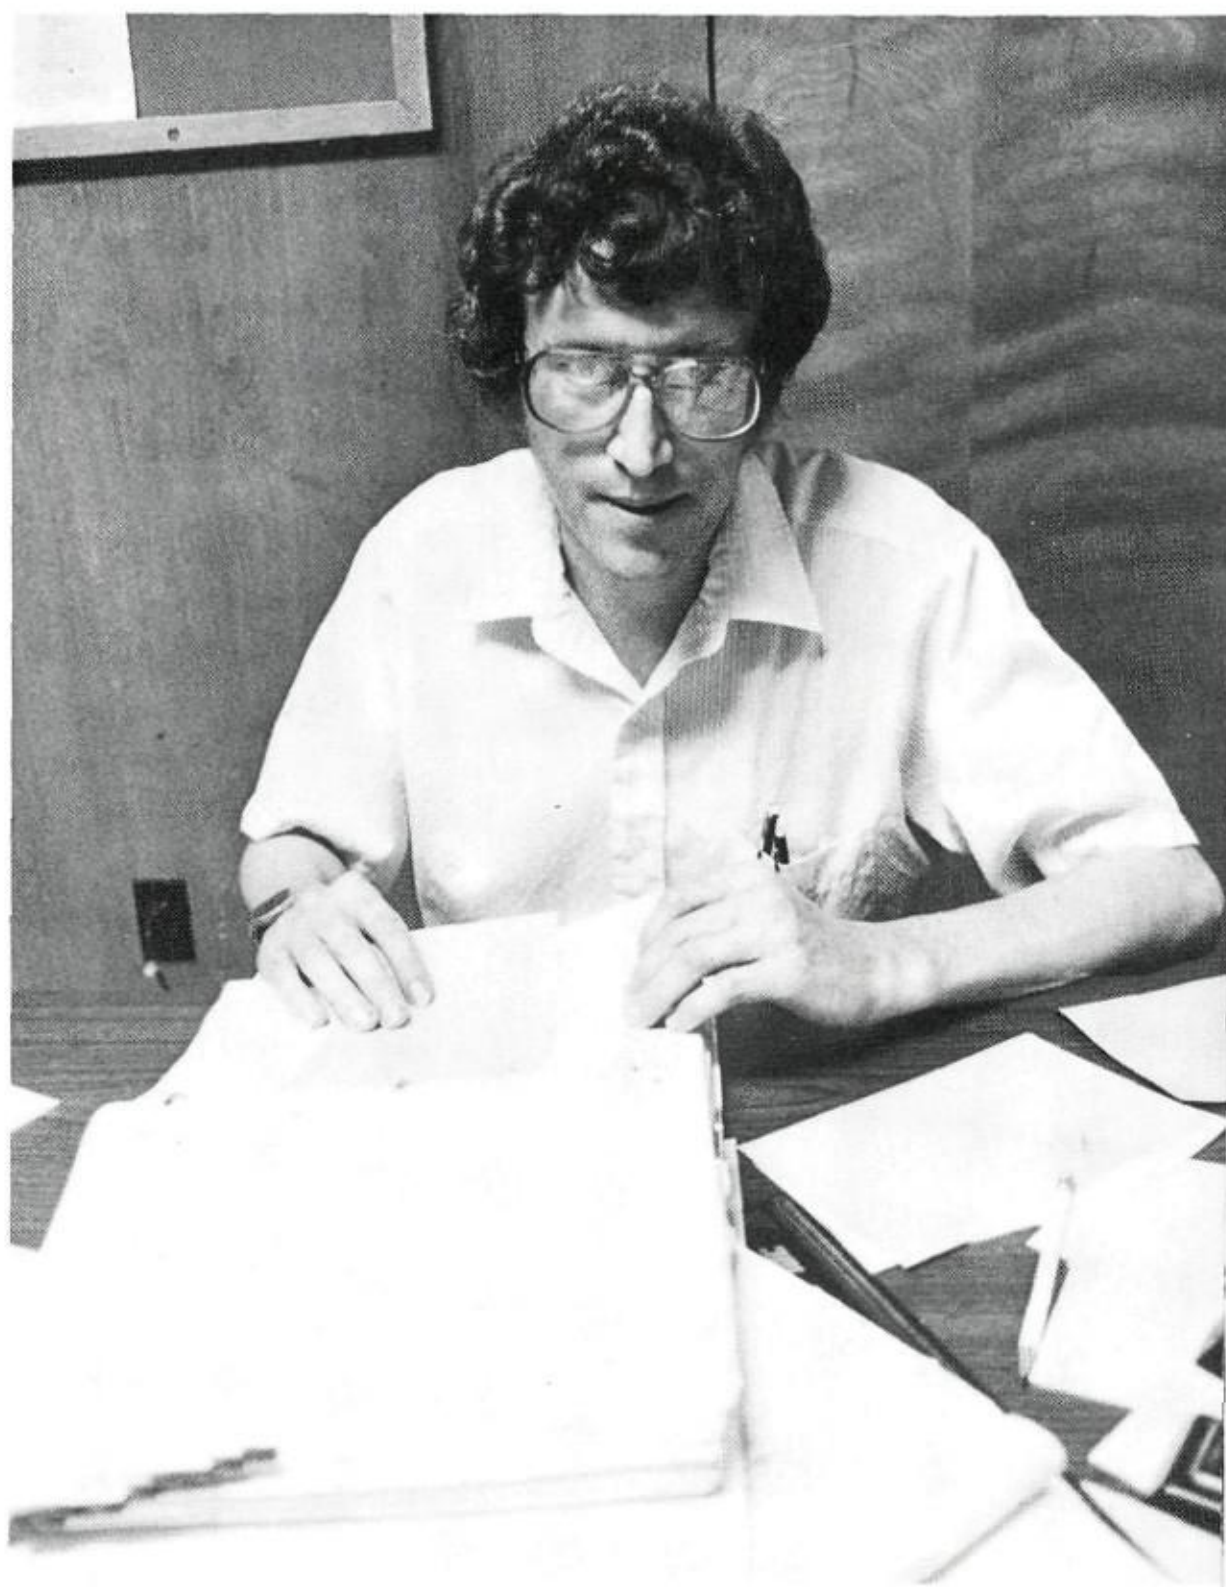

# SW Counselors Dedicated to Student Needs.

The Southwest High School counselors, Mr. All Noonan and Mrs. Carolyn Archer, could always be counted on to find the time to listen to that "special problem" all of us seem to have at one time or another.

These two individuals were highly visible throughout the 84-85 school year giving encouragement and words of advice to our growing student body. The Seniors seemed to lean on the counseling staff as the time drew closer for them to leave the protective surroundings of high school and go out into the world beyond.

# Faculty Sparks Dragon Pride

# Service with a Smile

The ladies who man the steam tables at Southwest cafeteria can always be counted on to serve the faculty and student body with a smile.

The cafeteria staff along with the custodian staff, does not get much credit. They work long hard hours and rarely do many of us take the time to let them know how much we appreciate the job they do.

Maybe the food is not exactly like "Mom makes at home," but it is always hot and filling. Certainly the ladies do a good job with what they have to work with. Unfailingly they always have a smile on their faces and an attitude about them that lets you know they care.

# A World of Information

## Staff Rated Tops

We always seem to take things for granted, such as the library and yes even the library staff. The library and the two ladies, Mrs. Gallien, librarian, and Mrs. Pue, are vital to us.

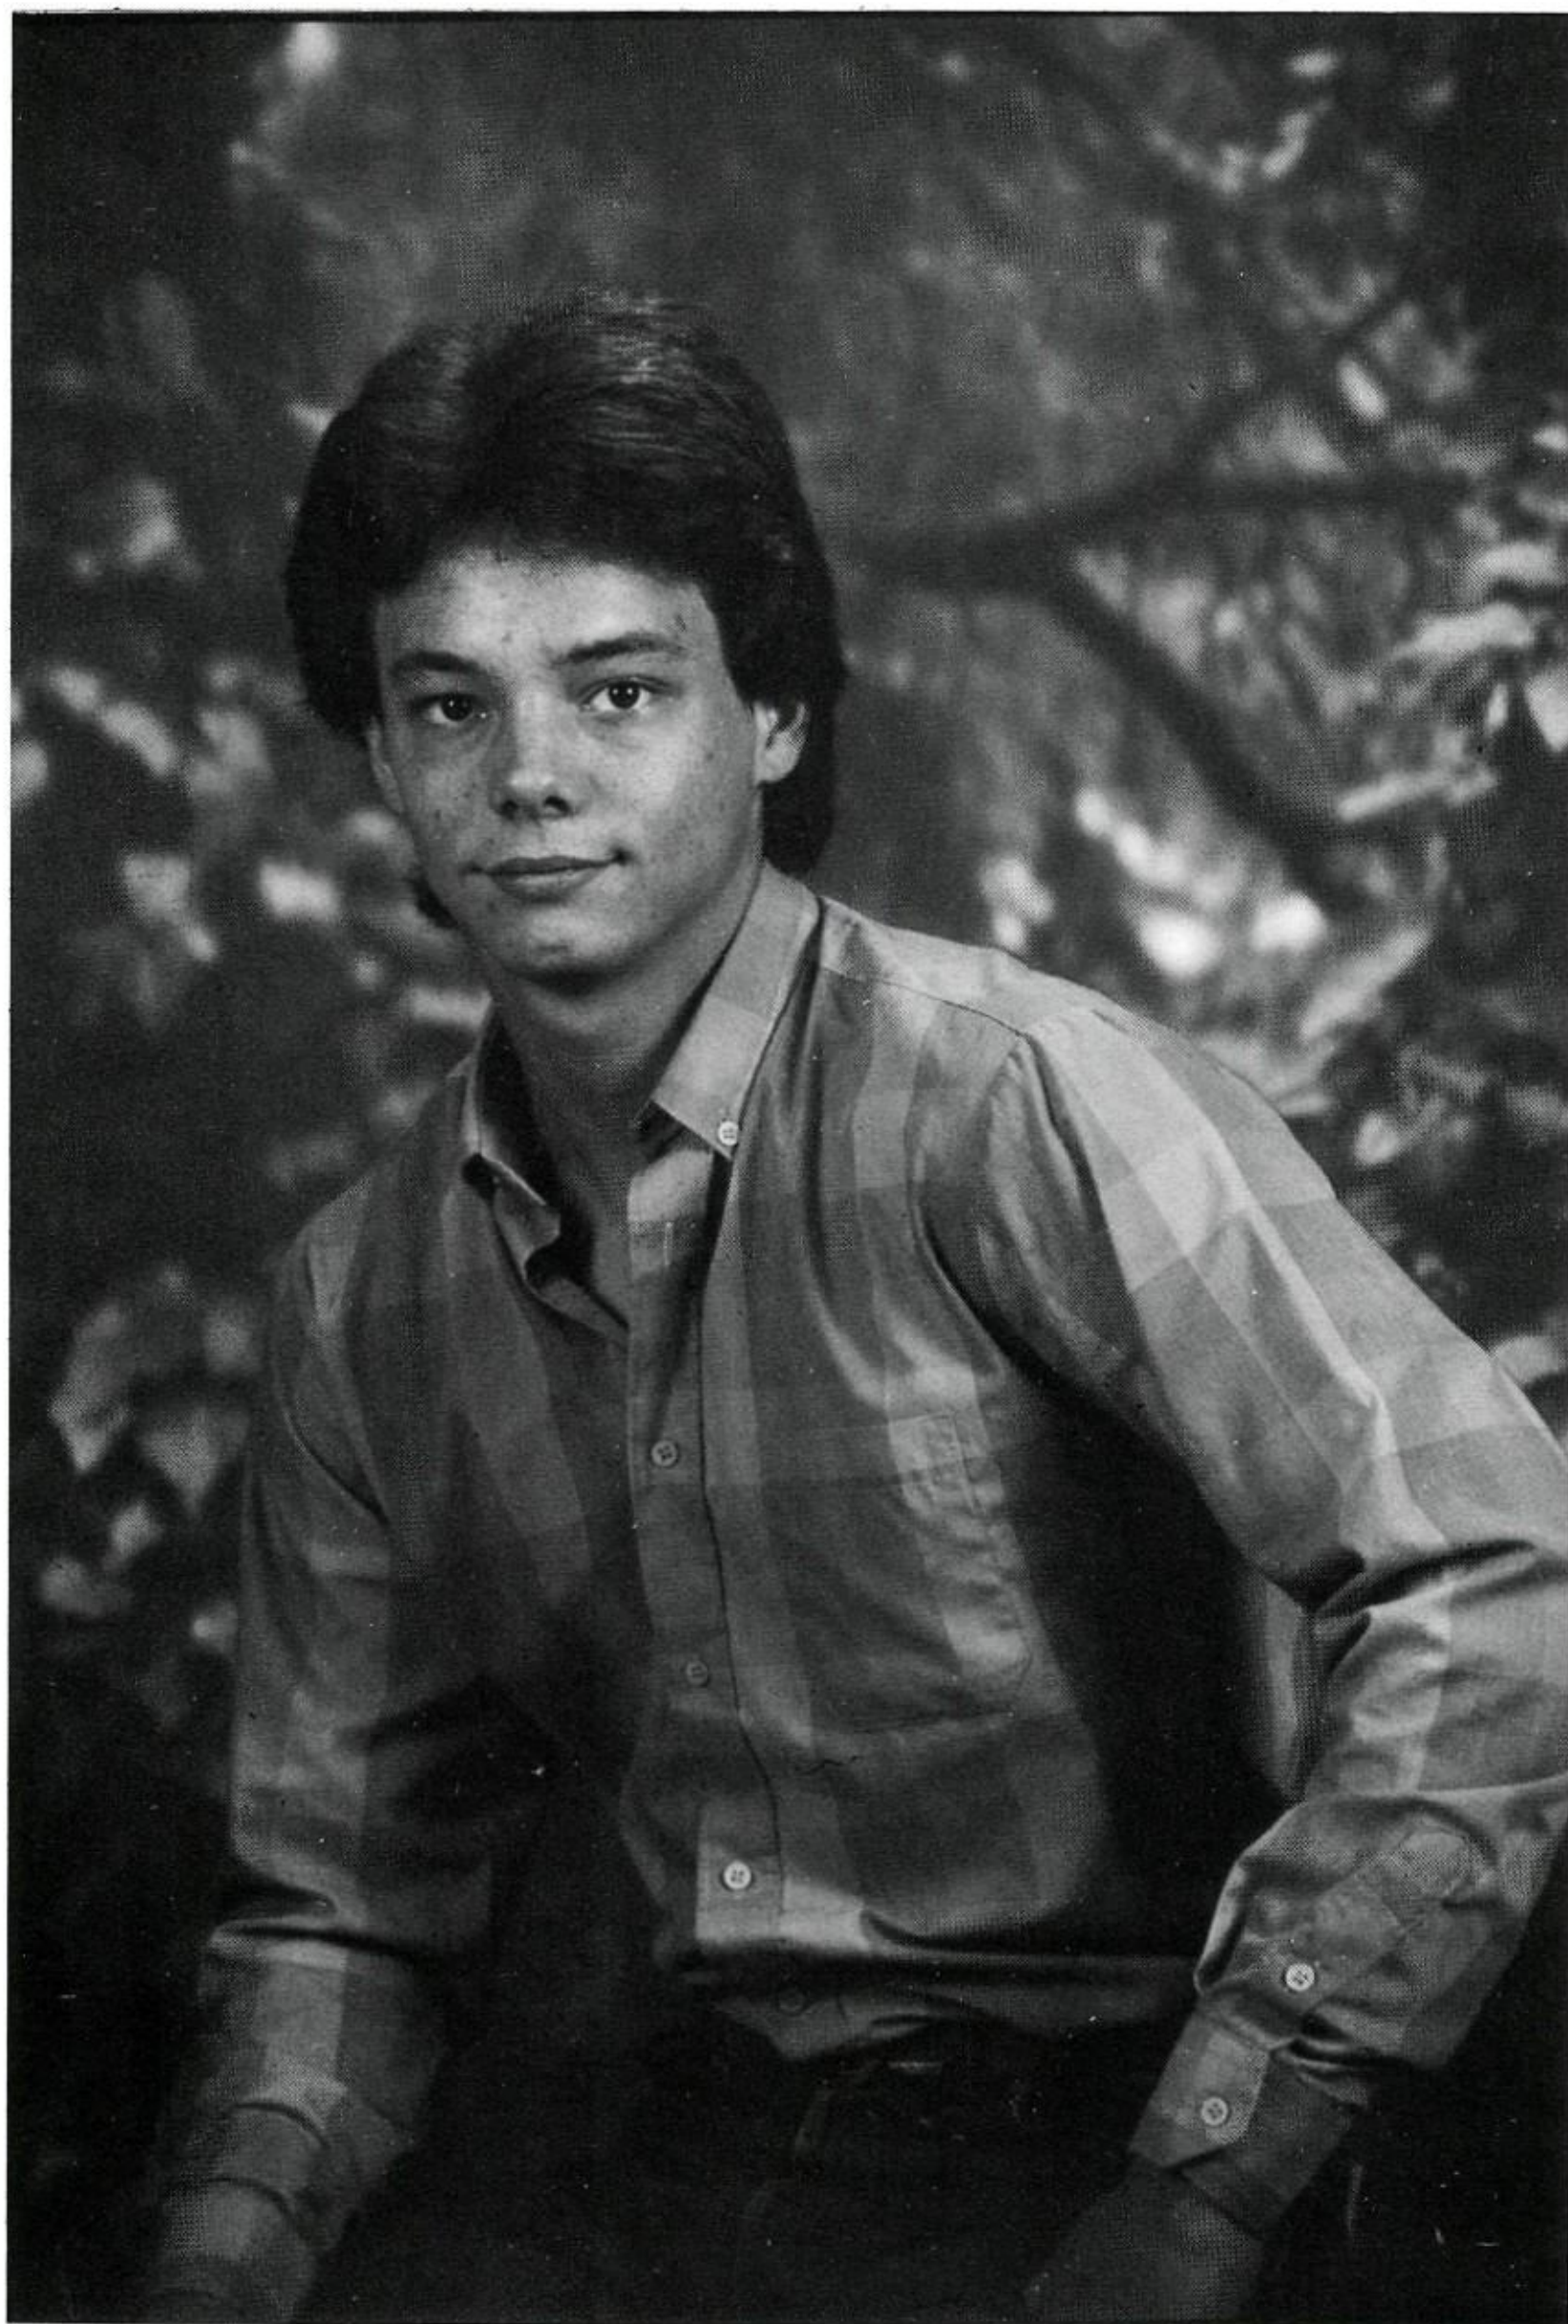

The first place we head for when we receive reports is the library. We may not notice how much we depend on the library and resource room but when we have something due we head for these rooms and these two ladies on the double.

Laura,

These past few years have been nothing but "fun". We've been through lots of rough times but we've always come out having fun. You're a real sweet person and you will go very far in life. Take care of yourself and the ones you love.

Happy  
Halloween!

As editor of this year's annual, I feel that the 1984-85 Dragonniere is one of the better annuals in recent years.

I know that the Yearbook Staff each made their best effort in this achievement. We worked long hours under frustrating circumstances. Mr. Laird was always there to encourage us to "give it our best shot" and could always find something to make us laugh about even in the most trying of times. For this and his willingness to teach us, I will always be grateful. The staff members consisted of Lisa Aelvoet, Janet Brown, Photographer: Bill Bradley, Bill Chalker, Gene Duron, Rachel Gonzales, Mario Laque, Brent Meyer, and Kenneth Pleasant. I count myself lucky having been afforded the opportunity of working with a group of people such as these. Thank you.

Well we been through alot together throughout the years that we've known each other. We've shared our inner thoughts, our secrets and our feelings with one another you've listened to my problems and helped me work them out. You've been the best friend you could possibly be and I'm grateful. You've always been there for me whenever I need you. You've been terrific towards Eddie and Kim. I want you to know that no one will ever take your place because no one meets your qualities. You're my very best and true friend. I'll always cherish our friendship and I'll remember our special times for we have some unforgettable memories. Thanks for everythg you've made it all bearable!

De: Laura,

Can you ~~remember~~ remember the first day you came to our school... remember I was the very first person to welcome you to our Jr. High. --- I bet that was a really day for you... but now you've grown into our family and we all love you. You've got to keep on smiling instead of showing your depression side of life (only I do that)... Hopefully I'll always be here for ~~to~~ you to talk to.
